Drawn by the star of the morning, to bathe in Your streams of light.

We are here in Your presence, Jesus, we are precious in Your sight.

Let us taste from the fruit of Your bounty, of Your sweetness again and again.

As our hearts overflow with forgiveness, we are caught in Your Spirit's rain.

G D Em C Em D/F# G D
Come Lord with fountains of angels, cascading Your love over all.
G D Em C G D G
For the sweet gentle rain of Your Spirit is a river of life to my soul.
C2 G D C2 G D
How we praise you that out of Your glory, comes the promise that death has no sting.
C2 G D C2 D/F#
As we feel in our hearts' full surrender, the embrace of our Heavenly King.

Verse 3:

G D Em C Em D/F# G D
Borne on the wings of the sunrise, we'll soar in eternal skies.
G D Em C G D G
With the shadows and tears far behind us and the fire of Your love in our eyes.
C2 G D C2 G D
For the rhythm that fills all our senses is the music of love's broken chains.
C2 G D C2 D/F#
It's no wonder there's joy on our faces, as we dance in Your Spirit's rain.

End:

C2 G D C2 G D
For the rhythm that fills all our senses is the music of love's broken chains.
C2 G D C2 D D/F# G
It's no wonder there's joy on our faces, as we dance in Your Spirit's rain.
